STUDENT SATISFACTION SURVEY (SSS)

The Student Satisfaction Survey was conducted as per the guidelines given by NAAC. This survey assesses the student satisfaction on designed curriculum, teaching learning process and Infrastructural Facilities provided by institution to them. We distributed 150 questionnaires to the students to fill and give some suggestion for overall development of the college. There were 20 questions in the questionnaire. Students mention their opinion and suggested some suggestions on the questions. According to the survey most of the students are satisfied with the syllabus covered by teachers. As far as students opinion about teacher's preparation for the conducting class is good and most of students agreed that teachers are prepared before coming in the class. Students are agreed that teachers approach to teaching is excellent. They are positive about the internal evaluation process. Most of the students are opinioned that the institution takes active interest in promoting internship, student exchange programme, field visit etc for students regularly. Students are strongly agreed and opinioned that institution makes effort to engage them in the mentoring, review and continuous quality improvement of teaching learning process. Most of the students are agreed that the teaching and mentoring process in institution is helping them for their cognitive, social and emotional growth. Students are agreed that the institution provides multiple opportunities for them to learn and grow. They are agreed that, every time teachers inform them about expected competencies, course outcomes and programme outcomes.
