2.7.1 – Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the Questionnaire) (results and details be provided as web link)

STUDENT SATISFACTION SURVEY (SSS)

The Student Satisfaction Survey was conducted online due to Covid-19 out break as per the guidelines given by NAAC. The institute conducts this survey to get the overall opinion of the students on designed curriculum, teaching learning process and Infrastructural Facilities provided by institution to them and to implement their requirements recorded in their survey form. We created questionnaires on Google form and sent it to the 200 questionnaires students. Students fill this Google form and give some suggestions for overall development of the college. There are 20 questions in the questionnaire. Students mention their opinion and suggest some suggestions on the questionnaire. According to the conducted survey, most of the students are satisfied with the syllabus covered by teachers. As far as, students' opinion about teacher's preparation for the conducting class is good and most of students agreed that teachers are prepared before coming in the class. Students are agreed that teachers approach to teaching is excellent. They are positive about the internal evaluation process. Most of the students are opinioned that the institution takes active interest in promoting internship, student exchange programme, field visits etc. for students regularly. Students are strongly agreed and opinioned that institution makes effort to engage them in the mentoring, and continuous quality improvement of teaching learning process. Most of the students are agreed that the teaching and mentoring process of the institution is helpful to them for their cognitive, social and emotional growth. Students are agreed that the institution provides multiple opportunities for them to learn and grow. They are agreed that, every time teachers inform them about expected competencies, course outcomes and programme outcomes. Students are also agreed the all teachers from institution are encouraging them to participate in extracurricular activities. Students opinioned that, institution and teachers take efforts to inculcate soft skills, life skills and employability skills to make you ready for the world of work. They

also agreed that most of teachers use ICT tools such as LCD projectors, Multimedia etc. They also opined that overall quality of teaching-learning process is very good. Students are agreed that availability of Central Library facility is best. They opined that facilities related to sports in college are well available. They also agreed that the administrative office provide good facilities. Students opined that availability of overall infrastructure facilities is excellent.
