STUDENT SATISFACTION SURVEY

Name of the Student: *Shaikh Fija Yusuf*

Class: *FJ-BCOM*

Roll No.: *1505*

Contact No. *8421049198*

Email Id: *fija56426@gmail.com*

1. How much of the syllabus was covered in the class?

- 85 to 100% 70 to 84%
 55 to 69% 30 to 54%

2. How well did the teachers prepare for the classes?

- Thoroughly Poorly
 Satisfactorily Indifferently

3. The teacher's approach to teaching can best be described as

- Excellent Good
 Very Good Poor

4. Fairness of the internal evaluation process by the teachers.

- Always fair Sometimes unfair
 Usually fair Usually unfair

5. The institute takes active interest in promoting internship, student exchange, field visit opportunities for students.

- Regularly Sometimes
 Often Rarely

6. The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth.

-

- To a great extent Some what
 Moderate Very little

14. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.

- Above 90% 50-69%
 70-89% Below 49%

15. The overall quality of teaching-learning process in your institute is very good.

- Strongly agree Neutral
 Agree Disagree

16. Your opinion about the Central Library facility can best be described as

- Excellent Good
 Very Good Fair

17. Your opinion about the Sports facility provided can best be described as

- Excellent Good
 Very Good Fair

18. Your opinion about the Administrative Office can best be described as

- Excellent Good
 Very Good Fair

19. Your opinion about the overall infrastructural facilities provided by the college can best be described as

- Excellent Good
 Very Good Fair

20. Give three observation / suggestions to improve the overall teaching – learning experience and support mechanism in your institution.

Suggestions if any:

There should be maintain college canteen facilities.

STUDENT SATISFACTION SURVEY (SSS)

(ACADEMIC YEAR 2022-23)

The Student Satisfaction Survey was conducted offline in academic year 2022-2023 as per the guidelines given by NAAC. The institute conducts this survey to get the overall opinion of the students on designed curriculum, teaching learning process and infrastructural facilities provided by institution to them and to implement their requirements recorded in their survey form. We distribute 200 questionnaires to the student in the class. Students fill these questionnaires and give some suggestions for overall development of the institution. There are 20 questions in the questionnaire. Students mention their opinion and suggest some suggestions in the questionnaire. According to the conducted survey, most of the students are satisfied with the syllabus covered by teachers. As far as, students' opinion about teacher's preparation for the conducting class is satisfactorily. According to students the teachers approach to teaching is excellent. Most of students agreed that teachers are prepared before coming in the class. They are positive about the internal evaluation process. Most of the students are opinioned that the institution takes active interest in promoting internship, student exchange programme, field visits etc. for students regularly. Students are strongly agreed and opinioned that institution makes effort to engage them in the mentoring and continuous quality improvement of teaching learning process. Most of the students are agreed that the teaching and mentoring process of the institution is helpful to them for their cognitive, social and emotional growth. Students are agreed that the institution provides multiple opportunities for them to learn and grow. They are agreed that, every time teachers inform them about expected competencies, course outcomes and programme outcomes. Students are also agreed the all teachers from institution are encouraging them to participate in extracurricular activities. Students are agreed that teachers are able to identify their weaknesses and help to the students. Students opinioned that, institution and teachers take efforts to inculcate soft skills, life skills and employability skills to make them ready for the world of work. They also agreed that most of teachers use ICT tools such as LCD

projectors, Multimedia etc. They also opined that overall quality of teaching-learning process is very good. Students are agreed that availability of Central Library facility is best. They opined that facilities related to sports in college are well available. They also agreed that the administrative office provide good facilities. Students opined that availability of overall infrastructure facilities is very good.

Analysis Report of Students Satisfaction Survey (SSS)

No. of Questionnaires Collected	Major Suggestions Suggested by Students	Action Taken
200	There should be modern and developed play ground and exercise equipment available in college campus	As per the student suggestions the college has constructed an updated playground for the student and provided the materials required for exercise on that playground.
	To Start Skill based courses in college	The college has started 8 skill based courses with the permission of Maharashtra State Board of Vocational Education.
	Implementation of Soft Skill Development Programme	The college has started Soft Skill Development Programme for student.
	The teacher should guide students to do research	The teachers are encouraging student to how to write research paper. These research papers published in MSK Research Journal
